The .25 Caliber COLT

**Hammerless!
Solid Breech!
Automatically Safe!**

(4-5ths Actual size of Pistol)

COLT'S PAT. FIRE ARMS MFG. CO. HARTFORD, CONN. U.S.A.
PATENTED AUG. 25, 1896. APR. 20, 1897. DEC. 22, 1903.

Automatic Grip Safety

Here Is Real Protection!

This compact little COLT "Six-Shooter" is only 4½ inches long, weighs but 13 ounces, yet has the speed, accuracy and hard-hitting qualities that give confidence in an emergency. Shoots metal-jacketed bullets as fast as the trigger is pulled; ejects the empty shells and reloads automatically for each shot.

Combined with these features is ABSOLUTE SAFETY FROM ACCIDENTAL DISCHARGE—the Grip Safety automatically locks the action until the trigger is purposely pulled—no worry on your part.

"You Can't Forget to Make it Safe!"
